HEART AFFINTIES.

a young lady unless you can make her Professor O. S. Fowler on Love, your wife. Her love is her life, and Courtship, Selection and Mar-

and the lamb were to amalgamate, their species would be spoiled. You between a white man and an Indian squaw, because their tastes are so different. The savage man should marry the savage woman, the Turk should tian, etc. Not only so, but the same kind of Christian, the Baptist a Baptist, the Campbellite a Campbellite, and the Know-Nothing a Know Nothing. [Laughter.] I appeal to you to know if, when you

love, you do not love some ore in sympathy with you? There are of course some exceptions. You sometimes see a long, lean, lank Mr. Stork married to a thick, heavy, plump Miss Partridge. Then you find the heavy, coursegrained elephant married to the fine, nervous and susceptible angel. This is well, because her over-vitality is exhausted by his powerful animal nature, and their offspring is better than they, This a point well worth your consideration, for no sin is so great as that of cursing your children with poor bodies by an ill-advised marringe. Wherein you are medium in any respect you may marry medium, but wherein you are extreme in any temperament or predisposition, marry your opposite. If your hair is a bright red, marry a black-haired woman. It it is medium, you may marry a shade darker, but if your hair curls, don't marry a lady who has curls, unless they can be easily taken off. [Laughwho is, and who is not adapted to you,

of your life. Men are always the poorest judges of themselves. The conceited man is the last to find out his conceit, and the humble man the last to realize his

"Oh, wad some power the giftle gle us, To see oursel's as others see us." Phrenology teaches this: There is nothing more valuable than a know-

To you, young men, I would say, ascertain whether or not your ladylove can make good bread, for if she can't, you will have to eat a great deal of dough; and if so, it will be no great / matter, for it will only be dough-heads eating dough. [Laughter.] The plain river in this city were greatly astonfact is that bread has to be baked, and you can draw your inferences. Then, again, see to it that your lady-love is healthy. There are two causes of the female weaknesses of to-day. First, fashionable habits; and here I would say, girls, be healthy first, and then just as fashionable as you please. Auother is female boarding shoots. They take our daughters and pack them between brick and mortar walls, and tell them they must not romp or take exercise, because it is not lady-like, and many of them are literally educated to death. The great want of American society is robust, healthy mothers, and the longer you live the truer you ment of a wife is womacliness, and the river. first element of a husband is manimess. With them, you have all; without them, you have nothing. Young ladies, you may take it as a fixed fact that if your beau is capable of mistreating his washerwoman he will treat you the

young tolks is that they court by the quarter. They love here a little and there a little, whereas the first law of streams; others are speculating on the true love is permanency. A may love probability of a quiet earthquake, in his wife ever so much, but if he dallies some way brought about by the total with other woman it will kill this love cellipse of the sun which occurred this for the wife, or her love will kill the morning, and which, some philosophers other; it is impossible for a man to predicted, would be the cause of un-Tremont Street, Boston, os 596 Broadway, love two women at the same time, usual convulsions of nature. But the Now, ween you whispered love to your phenomenon is still unexplained,sweetheart, was it not an exclusive Oswego Commercial, Dec. 22. love you for this, that or the other, but -The Tobacco Crop of Lancaster I love Lotta for something else; what County, Pa., it is stated is the finest in does Kate say? Enough.

Adam Goodenough, who formerly cept the Tiffany House in this city poor enough, fleeced some of our citizens well enough, and started off quick enough, but didn't run quite fast enough, nor keep running long enough, nor go quite far enough, got a Jessey policeman's grip on him tight enough, and at the request of Governor Geary, Governor Randolph was kind enough to surrender the said Adam Goodenough to answer the charge of forging the name of James Ford to a check on the First National Bank of this city, on which he obtained the money. He will be returned to this city for trial, which Goodenough will no doubt consider tough enough. The whole affair is bad enough .- Meadville Re-
